Experience

JANUARY 2024 - PRESENT

Mable - Support Worker

- Independent Support Worker through the 'Mable' app has allowed me to work with diverse needs, including mental (Schizophrenic, PTSD, BPD), physical disabilities, developmental and neurological (ASD) conditions using empathy and effective communication.
- This role underscore my interpersonal skills and empathy, crucial for effective communication. This role has also helped to further my administrative skills:
 - Compliant Invoicing
 - Time management
 - Appointment setting
 - Bookkeeping

MARCH 2021 - JANUARY 2024

Zone Landscape Architecture, Burleigh Heads - Landscape Architect

- Expertise in sustainable design, site analysis, and construction documentation. Collaborates with multidisciplinary teams to create aesthetically pleasing environments

that enhance quality of life. Proficient in AutoCAD, and Adobe Creative Suite. Strong attention to detail and commitment to excellence.

- Designs used in large-scale projects around the Gold Coast, Tweed, Ipswich and Brisbane regions meeting client requirements and Council standards.
- Utilised software for visualization and drafting, managed projects within budget and timeline constraints, and liaised with council officers, and builders.
- Skills utilised and developed include
 - Visualization- PS, Id, Illustrator
 - Lodgement
 - Project management
 - Drafting - AutoCAD

JANUARY 2024

CreARTive Access - Website Design

- Designed and developed the website for CreARTive Access, collaborating closely with company director, H. Forbes, to meet the design brief and brand guidelines.
- Please see the site at CreARTiveaccess.com.

JULY 2019- MARCH 2020

Telstra, Altona - Sales Associate

- Within this role I worked to sell devices and provide basic technical support.

FEBRUARY 2019

Aventgarden

- Within this role I helped produce a small garden alongside Jacquine McWilliams, a small landscape design practice.
- Hands-on experience in how to read and execute planting plans.

Education

FEBRUARY 2017 - DECEMBER 2020

RMIT, CBD Campus - Bachelor Landscape Architecture

My passion for the environment and art influenced my decision to choose to study Landscape Architecture. During my education I took opportunities to volunteer. Please see below:

- I volunteered to conduct an interview with a community leader, Michael Aboujundi, and a Department of School Services representative. I volunteered further to present the final outcome of this project to the Department of Social Services with two other students.

MARCH 2024 - PRESENT

Coder Academy - Diploma

This coding bootcamp is after work hours and will allow me to understand the basics of HTML, CSS, Python and other coding languages. The outcomes for this diploma degree will allow me to develop websites among other capabilities.

MARCH - JULY 2022

Georgia Institute of Technology - Certificate

This introductory course provided basic foundational knowledge of UX Design.

Additional Information

- Passionate about free diving, music, environmental conservation, and learning new skills.
- Actively engaged in community initiatives, with a commitment to making a positive impact.
